Community Presenter

Katrina Alexander – Southern Cross University: Equity and Diversity Team

Tuesday 31st July 2018

Networking breakfast from 7.15am
Presenters from 7.45am to 8.45am

Health Implications of Discrimination

This presentation will look at the health implications of discrimination for key equity groups. It will also explore how one might identify their feelings towards people from different equity groups.

Katrina has extensive experience working with equity groups and marginalised populations during her various roles in the community services sector.
