**“The Secret Life of Red Cross”**

Australian Red Cross is well-known for its Blood Bank and First Aid services. But did you know we provide a range of community programs that are adapted to your local area? Aiming to foster connections and empower individual agency, Red Cross Lismore delivers Harm Minimisation, Nutrition, Emergency Preparedness, and Social Support services to people experiencing a range of health and other vulnerabilities. We are also open to ideas from, and partnerships with, the broader community. Learn how you can be involved or start your own Uni Club!

University Centre for  
**RURAL HEALTH**  
education • research • workforce
