

ADULT Advanced Life Support Certification Program

Target Audience:

Registered Nurses, Medical Officers and Paramedical staff who:

- Require ALS Certification
- Are new to Emergency, Intensive Care, Anaesthetics, Recovery or High-Dependency
- Work in small facilities with limited medical cover

Course Overview

This two-day ALS Program is suitable for health professionals in the provision of adult advanced life support in a clinical setting. Accredited by the Australian College of Critical Care Nurses (ACCCN) and based on the latest 2016 Australian Resuscitation Council (ARC) guidelines, the program includes a comprehensive Adult ALS manual, access to an E-learning quiz, plus a 2-day interactive workshop including assessment and certification.

Topics covered in the workshop include:

- Adult Anatomy & Physiology
- BLS & ALS algorithms and principles
- Advanced airway management
- Electrical therapy
- Pharmacology
- Post resuscitation care
- Legal and ethical

Date:	19th & 20th September 2022	
Time:	0830-1630hrs	
Venue:	Nyumbalihgu Simulation Centre University Centre for Rural Health 55-61 Uralba Street, Lismore NSW 2480
