

Hey there!

Do you know a 15-25 year old innovator, thinker, doer or creator in the Northern Rivers region who has big ideas or big potential? Are you the person we're looking for?

The [Young Innovators Challenge](#) is a launch pad for young people in the Northern Rivers, aged 15 to 25, to take their ideas from dream to reality. Throughout the challenge, Young Innovators will be supported with the tools, resources and advice they need to start on their innovation journey. Through online components, face-to-face workshops, and mentoring, Young Innovators Challenge will take you through the entrepreneurial process to help you make the most out of your big ideas.

If you (or someone you know) meet the criteria, have a big idea, and want to take the leap, you could be participating in this new and exciting challenge that will boost the entrepreneurial spirit of the region. With \$10,500 worth of prizes available for the winning ideas, this could be the big break you've been waiting for.

Registrations are open for our one-day [Startup Bootcamp](#), 9am-4pm, Saturday, 7 September at the Enterprise Lab Southern Cross University Lismore Campus.

Discover how to map your idea as a business model, engage with mentors for feedback, learn how to pitch your winning concept!

REGISTER NOW FOR THE STARTUP BOOTCAMP: <https://younginnovatorschallenge.eventbrite.com.au>

HELP SPREAD THE WORD

We would appreciate your support in sharing this with your networks. [Download the Young Innovators Challenge Communications Package](#). In this package, you will find material to assist you in sharing with your relevant networks including suggested social media posts, e- newsletter templates, and an A4 poster
