CANNULATION AND VENEPUNCTURE

THURSDAY 25 JULY 2024
9AM - 12PM

For more information please contact the Simulation Team
on 1300 965 800 or ucrh.simulation@sydney.edu.au

This course provides comprehensive training in two essential medical procedures: cannulation and venepuncture. Designed for healthcare professionals, including nurses, phlebotomists, and medical assistants, this course equips participants with the knowledge and skills necessary to perform these procedures. By the end of the course, participants will have the knowledge and confidence to perform cannulation and venepuncture safely and effectively, contributing to improved patient care and outcomes in various healthcare settings.
