# DETERIORATING RESIDENT

**FRIDAY 14 MARCH 2025**  
**8:30AM - 4PM**

For more information please contact the Simulation Team  
on 1300 965 800 or [ucrh.simulation@sydney.edu.au](mailto:ucrh.simulation@sydney.edu.au)

The Deteriorating Resident is an educational workshop designed to equip aged care professionals and caregivers with the knowledge and skills necessary for high-quality care of older adults. Through discussion and simulation-based learning, participants will gain confidence in identifying early warning signs of decline.

## **Content covered**

- A-G nursing assessment
- ISBAR communication tool
- Basic Life Support including management of choking (refresher only)
- Overview of Healthy North Coast/PHN Deteriorating Resident Triage Tool
