

Ways of Storytelling

**Myth, Dreaming and storytelling (whatever word we use) :
are tools for transferring our collective wisdom and shared
experiences.**

Storytelling is the DNA of Humanity

Story telling is Technology

Dreaming pre-exists and persists, while our human incarnations are temporary.

Why are they so important ?

Origins & Creation

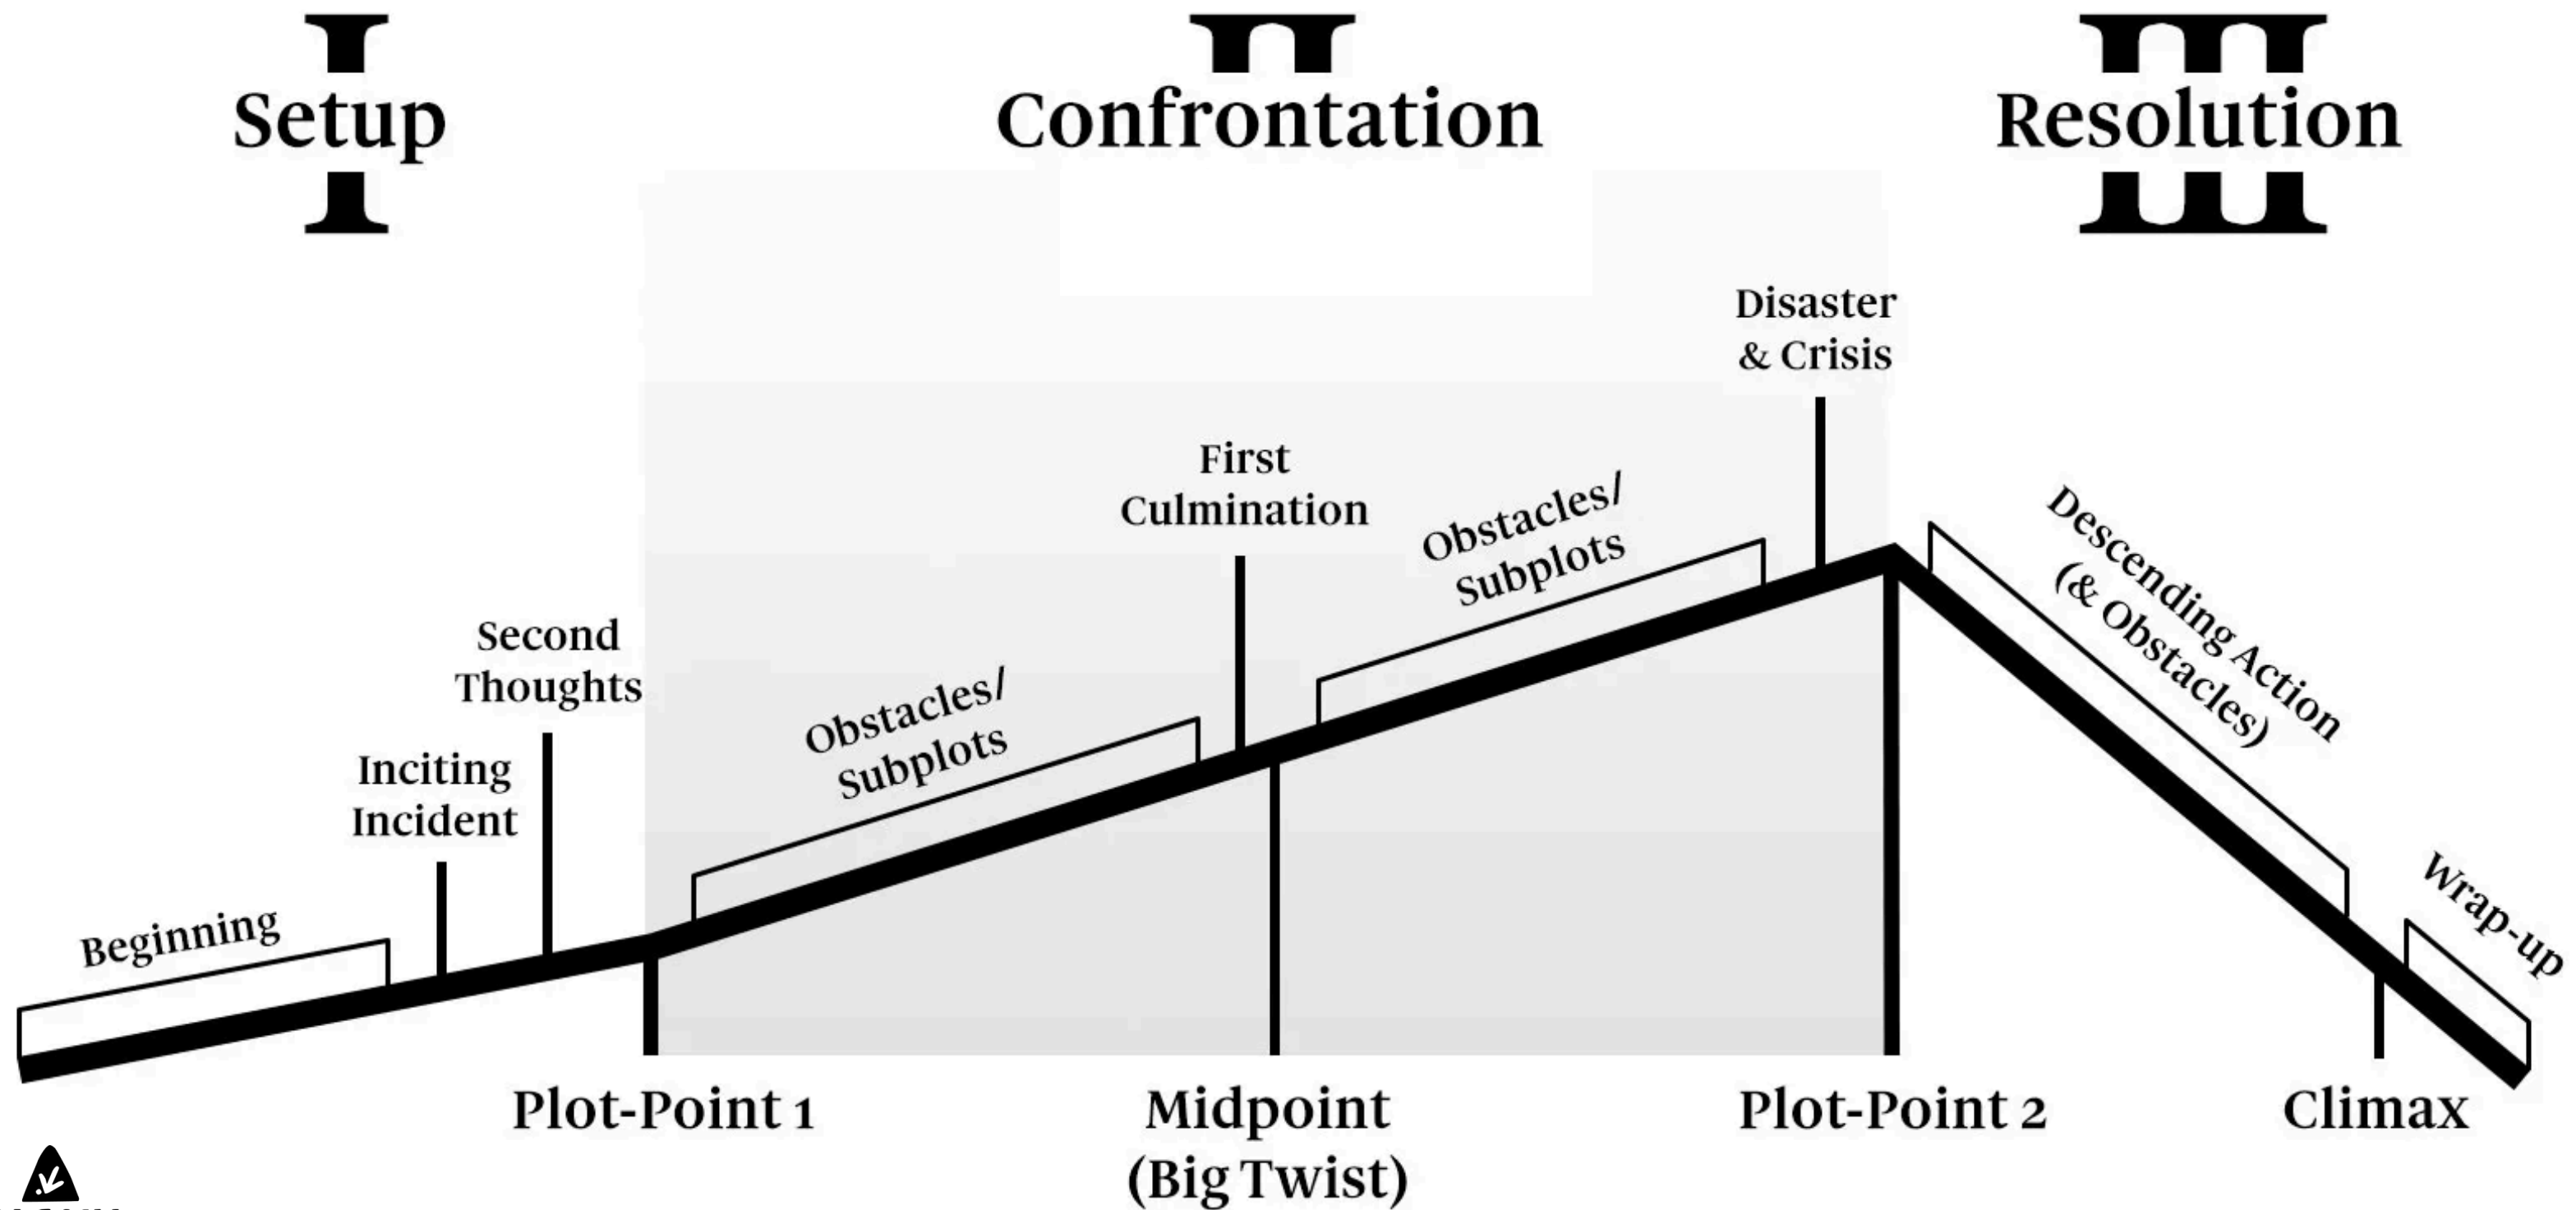

**To know where we are going
we must know where weve been**

Hero's Journey and the protagonist

Story Structure

Told in 3 parts

Three-Act Structure

HOW DO WE TELL STORIES ?

What elements of storytelling were used in this short video?

What was the message / lesson of the tale ?

What tools did you notice they used?

CONNECT TO A SPECIAL PLACE

SHARE A STORY

Groups of 3 or 4: What kind of story do you have to share.

Share with your group a special place, site or country that you have seen change over your life.

How has it changed?

How does it make you feel?

ACTIVITY

Choose 1 of the groups stories that was shared &
Work together as a film crew to create a short video to capture the essence of the story
to leave an impact on the audience

Tools of story telling

Narrative

Composition – Rule of 3rds

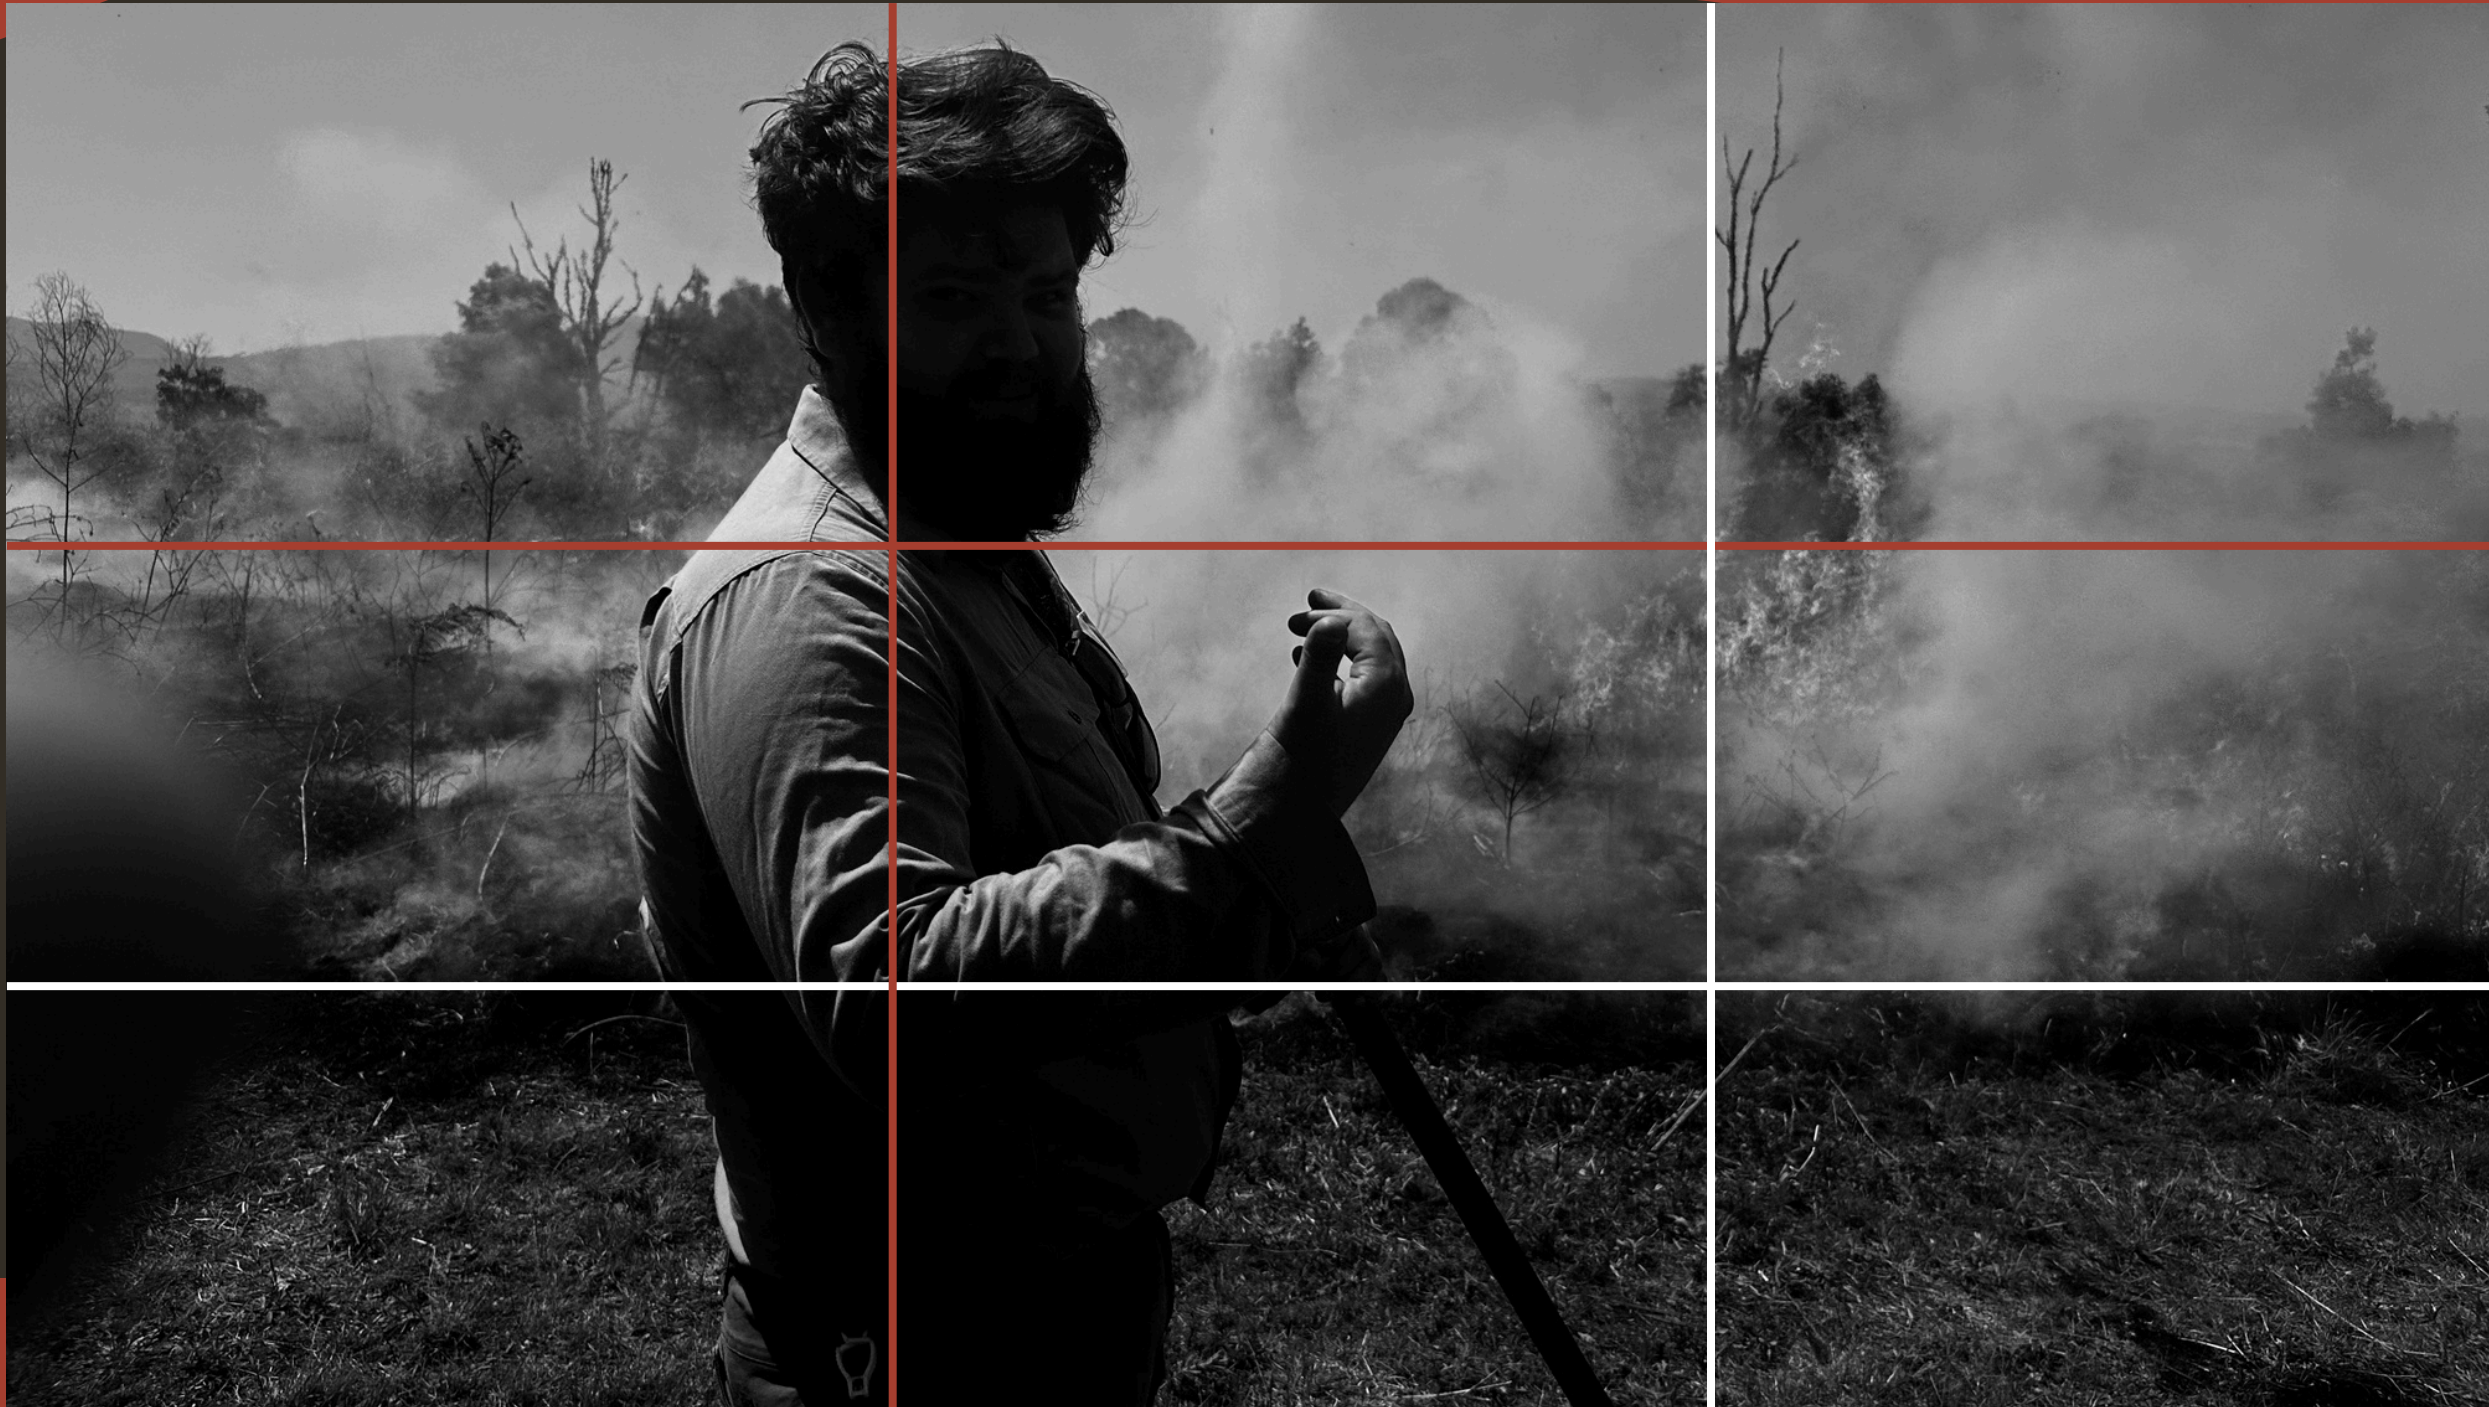

Lighting

Sound

RULE OF THIRDS

ACTIVITY

Choose 1 of the groups stories that was shared &
Work together as a film crew to create a short video to capture the essence of the story
to leave an impact on the audience

Draft up a rough outline to prepare to head outside

REVIEW

What do people take away from this process?

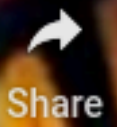

Has it captured the story well?

What might add to the story?
