

Cannulation & Venepuncture

9 NOVEMBER 2026

9AM - 12PM

\$275

<https://ucrh.edu.au/simulation-centre-registration/>

This course provides practical training in cannulation and venepuncture. Participants will learn essential techniques, safety principles, and important clinical considerations, reinforced through guided hands-on practice to develop both skill and confidence. By the end of the course, you will be able to perform cannulation and venepuncture safely, accurately, and confidently, applying these skills effectively in a variety of clinical settings to support high-quality patient care.
