NORTHERN RIVERS

# Ultrasound Vascular Access

**19 JUNE 2026**

**9AM - 12PM**

**\$275**

<https://ucrh.edu.au/simulation-centre-registration/>

This practical, hands-on workshop is designed to build confidence and competence in ultrasound-guided venous cannulation. Participants will develop the skills to accurately identify and access peripheral veins using ultrasound guidance, supporting improved patient safety and higher procedural success rates.

The workshop covers essential anatomy and physiology, core ultrasound principles, vein identification techniques, and appropriate device selection, with learning reinforced through guided practical activities.
